The College of Engineering and Information Technology (COEIT) and UMBC are dedicated to research, innovation, and education. The College works in partnership with state and federal agencies and industry to promote the transfer of research applications that benefit society. We distinguish ourselves by our continued commitment to cross-disciplinary research and education. We provide outstanding education opportunities to undergraduate students in Chemical Engineering, Computer Engineering, Mechanical Engineering, Computer Science, Business Technology Administration, and Information Systems.

**COMMON SCHOLARSHIP APPLICATION 2016-2017**

This Common Scholarship Application may be used to apply for one or more scholarships offered to students pursuing a major in the College of Engineering and Information Technology at UMBC.

**Application Instructions**

1. Please read all directions carefully. Refer to the scholarship descriptions listed on Pages 2 & 3 to review the specific eligibility requirements for each scholarship. Scholarships noting required freshman, sophomore, junior, or senior status refer to the student’s academic standing at UMBC at the start of the Fall 2016 semester.

2. Complete online application form at [http://advising.coeit.umbc.edu/scholarships/](http://advising.coeit.umbc.edu/scholarships/)

3. In order to process your application, we must receive the following materials in addition to your completed online application form:

   - [ ] Personal Statement
   - [ ] Resume
   - [ ] 2016-2017 FAFSA must be on file with UMBC Office of Financial Aid and Scholarships

4. Submit your personal statement and resume in Word or PDF format to: [coeitscholarships@umbc.edu](mailto:coeitscholarships@umbc.edu)

Please submit applications by February 15, 2016.

Awards listed are contingent on the availability of funds for the 2016-2017 academic year.
SCHOLARSHIP ELIGIBILITY REQUIREMENTS

Please read the criteria for each scholarship to determine whether you meet the eligibility requirements to apply.

AFCEA CMD Scholarship
- Full-time UMBC student
- Computer Science, Computer Engineering, or Information Systems major
- Maryland community college graduate
- Minimum 3.2 GPA
- Demonstrated financial need

Anthony Alvarez Award
- Full-time UMBC Junior or Senior
- Mechanical Engineering major
- Minimum 3.0 GPA
- Demonstrated record of leadership and community involvement
- Demonstrated financial need
- Maryland Resident and U.S. Citizen

Carmi Family Scholarship
- Full-time UMBC student
- Engineering major (Only for Mechanical Engineering majors for 2016-2017)
- Minimum 3.0 GPA
- Completed or currently in internship or co-op

Danaher Scholarship
- Full-time UMBC Mechanical Engineering major
- Minimum 3.0 GPA
- Demonstrated financial need

INCOSE Foundation Scholarship
- Full-time UMBC Sophomore, Junior, or Senior
- Engineering major
- Minimum 3.0 GPA
- Strong history of work or research and STEM awards
- Willingness to attend INCOSE annual holiday party

- Full-time UMBC student
- Mechanical Engineering major or member of UMBC Chapter of the Society of Automotive Engineers
- Minimum 3.0 GPA
- Member of Mini-Baja team for two years
- Named outstanding contributor to the Mini-Baja team

Mrs. George F. Meyer Scholarship
- Full-time UMBC transfer student
- Minimum 3.0 GPA
- Engineering major
- CWIT Affiliate Program participant or demonstrated commitment to success of women in engineering
- Demonstrated academic achievement

Northrop Grumman Scholarship
- Full-time UMBC Sophomore or Junior
- Computer Engineering major
- Minimum 3.0 GPA
- US Citizen
- Mid-Atlantic Resident Preferred
- Encouraged summer internship at Northrop Grumman in Summer 2016

Vijay Jose Memorial Scholarship
- Full-time UMBC Junior or Senior Information Systems or Business Technology Administration major
- Minimum 3.0 GPA
- Active in UMBC student activities
Pinkston Scholarship
- Full-time UMBC Sophomore, Junior, or Senior
- Computer Science or Computer Engineering major
- Minimum 3.0 GPA
- Demonstrated financial need

Rite Aid Scholarship
- Full-time UMBC student
- Computer Science major
- Minimum 3.0 GPA
- Demonstrated financial need

John B. Schwartz Scholarship
- Full-time student
- Information Systems or Business Technology Administration Major
- Graduating Senior
- Displayed outstanding scholarship and service to the university
- Faculty recommendation letter required

Gregory Schwerdt Endowed Memorial Scholarship
- Full-time UMBC student
- Information Systems, Computer Science, or Computer Engineering major
- Completed gateway requirements for Information Systems, Computer Science, or Computer Engineering major
- Minimum 3.0 GPA
- Demonstrates a commitment to the success of students with mental or physical disabilities or illnesses, or is a student with a mental or physical illness as documented by UMBC Student Support Services.
- Demonstrated financial need

W. Patrick Wilson Scholarship
