Pass/ Fail Policy Spring 2020

Gateway Courses	Major Grade Required	Program Accepts 'Pass'?
No gateway	All courses must be completed with a grade of C or better.	See below for policy

Other concerns:

Will the program waive a Spring 2020 class as an attempt? Yes
Will the department accept a P in a prereq for a course? No, except as noted below. This is our policy: For Spring 2020, while a grade of 'P' will be counted toward degree requirements for the IS major/BTA major/IS minor/certificates, a grade of 'P' cannot be used to satisfy a prerequisite for another course. To satisfy a prerequisite, a grade of 'C or above' will be expected. For a course that is offered by another department and is required for the IS/BTA major/certificates, we will accept a 'Pass' grade in the course as meeting major/certificate requirements and as satisfying prerequisites. We will apply the same rule for an equivalent transferred course.
